

Portable, Powerful, and Easy to Use

*The Most
Accurate and Fast
Tracker on the Market!*

PT-300 Features:

- **Fastest Tracking Updates**

The XtremeTrakGPS™ PT-300 updates every 5 or 10 seconds, while other trackers only offer 30 second to 2 minute updates!

- **Web-Based Tracking**

Access your tracking information from any web browser on any internet-connected computer or device! No software install needed.

- **SMS Text and Email Alerts**

Create unlimited alerts and receive an email or text message based on an entry or exit from a pre-determined area, based on specified speed, or even when the vehicle's engine turns on or off.

- **Create Custom Driving Reports**

With 90 days of historical data saved on our server, you can create custom driving reports for start/stop locations, speeding, aggressive driving, excessive idling, zone activity, and overall mileage.

- **Optional Extended Battery Kit**

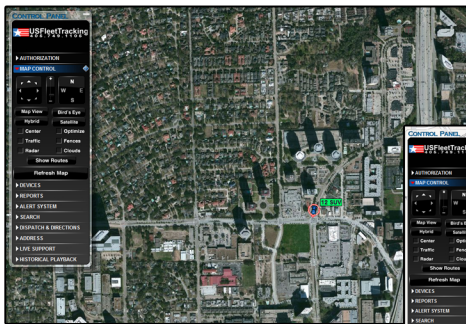

The standard 8-hour battery lasts over a week with about 1 hour of driving time per day. An extended 80-hour battery is available and can last for over 3 months, and includes a free magnetic car mount.
